

# USLCA Membership

USLCA is excited to announce an upcoming change to our membership structure! Inspired by the inclusivity of our guiding principles, our new structure is designed to offer a variety of benefit levels accessible to anyone interested in a membership, regardless of credential, job type, or tenure. With monthly or annual payment options and the ability to change levels from year to year, there will certainly be a level to meet the needs of all lactation care providers at any point in their career.
