Subject: Happy IBCLC Day from USLCA!

Morrisville, NC- All around the country, IBCLCs are “answering the call” by responding to Surgeon General Regina Benjamin’s Call to Action to Support Breastfeeding. Our February eNews showcased several of your colleagues who are making a powerful impact in their own unique settings. How about you? How are you answering the call? USLCA would like to hear from you. Send us your story. Tell us how you are “answering the call” as an individual member, as part of a service-providing team, or in a state coalition or chapter. Each submission will be recognized on the USLCA website and the member submitting will receive an “IBCLCs Answer the Call” button. Send your story to info@uslca.org today!

It is an honor to do the work we do. Celebrating your contribution to the world as an IBCLC,

Sincerely

Laurie Beck, RN, MSN, IBCLC, RLC

USLCA President
